

PRODUCT DESCRIPTION

PhosFree MT200

Description

This product is an off-white powder or crystalline powder, easily soluble in water. It can significantly improve the water retention of various types of livestock and poultry meat. The compound product has a scientific and healthy proportion.

Application areas

Beef, pork, chicken, lamb, fish

Potential benefits

Good water retention; Improve the production rate and prolong the shelf life; Improve the water retention performance of meat; Increase product tenderness and improve product structure.

Usage levels

The following general
1.0%~2.0%(in the total filling)

Directions for use

- ① Chopping process: join the dry powder, in the first step, add the PhosFree MT200 together with the raw meat and some ice water into the chopping mixing pot, and then add other auxiliary materials.
- ② Rolling and injection process: when preparing the auxiliary material solution in the agitator, firstly add the PhosFree MT200, after it completely be dissolved, adding other auxiliary materials, to prevent agglomeration.

Physical/chemical specifications

Appearance	Light beige powder
------------	--------------------

Microbiological specifications

Total plate count	Max. 5000 CFU/g
E.Coli	Negative/ 25 g
Salmonella	Negative/ 25 g

Heavy metal specifications

Lead(mg/kg)	≤2
Arsenic(mg/kg)	≤2

GMO

This product implements the national standard GB 26687-2011, conforms to the GB 2760-2014 standard for the use of food additives. And it complies with the provisions of the United Nations Food And Agriculture Organization (FAO) / World Health Organization (WHO), the European Community (EU) and the regulations on consumption of chemicals.

Purity and legal status

PhosFree MT200 meets the specifications laid down by the FAO/WHO, the EU, the Food Chemicals Codex .

Storage

Store at normal temperature (shade, ventilated, dry place)

Safety and handling

A Material Safety Data Sheet (MSDS) is available on request.

Country of origin

China

Kosher status

This product is Kosher certified. A Kosher Certificate is available on request.

Hala status

This product is Halal certified. A Halal Certificate is available on request.

Packaging

paper-plastic compound bag with net weight of 25kg, or in accordance with customer's requirements.

Allergens

Below table indicates the presence(as added component) of the following allergens and products there of:

Yes	No	Allergens	Description of components
	×	Cereals containing gluten	
	×	Crustaceans
